Application and Exam Fee (nonrefundable): **\$35.00** class code 7636

Make checks payable to: State of WI – DSPS. The fee consists of a \$20 application fee and an exam fee of \$15. When the exam is passed, the applicant will be asked to pay a \$50 credential fee. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for 2 years from the date of issuance.

Reason for Credential: No person may inspect a tank system which has held or will hold flammable or combustible liquids to determine compliance with ch. SPS 310 unless the person holds a credential issued by the department as a certified tank system inspector.
SBD-10220 (R. 1212)

Requirements of Credential: A person who inspects tank systems as a certified tank system inspector shall:

- Maintain a record of the inspections made including the dates and the findings of the inspections;
- Provide a copy of the inspection report to the owner of the tank system owner or his or her agent; and
- Make available to the department upon request his or her tank system inspection records.

A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Are you a Veteran?

If yes, please answer the following questions to see if you qualify for a fee waiver or equivalency for this credential.

1. Are you requesting a waiver of your initial credentialing fee?

☐ Yes Provide a copy of your Department of Veterans Affairs voucher code. DVA Voucher Code: _____

Your application fee of \$20 will be waived now and your credential fee will be waived once you pass the exam. **You must submit \$15 for the exam fee at this time.**

☐ No Submit the fee of \$35.

2. Are you requesting equivalency of your military training and experience?

☐ Yes Provide copies of your service school academic reports, certificates of training, or training documentation signed by your unit's training NCO or any other relevant experience that would satisfy the requirements. You may attach a personal narrative to further explain why your education / training / experience in the military has helped you prepare for this profession.

☐ No Complete the requirements listed below.

You may contact DVA at 1-800-WisVets or www.WisVets.com for assistance in obtaining your DVA Voucher Code and/or documents related to your training and experience.

Qualifications for Examination: A person applying to take a tank system inspector certification examination shall have completed an approved educational course or training program. Following is a list of approved educational course or training programs:

Course Name	Phone	Provider
SPS 310 UST/AST Certified Inspector	(414) 458-4183 Ext 611	Lakeshore Technical College

ATTACH to this form evidence that you have completed an approved educational course or training program.

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover:

Tank Inspector:

- ❖ SPS 310 – Flammable, Combustible and Hazardous Liquids Code
- ❖ SPS 305 – License, Certification and Registration
- ❖ NFPA 30 – Flammable and Combustible Liquids Code
- ❖ NFPA 30A – Code for Motor Fuel Dispensing Facilities and Repair Garages
- ❖ PEI 100 – Recommended Practices for Installation of Underground Liquid Storage Systems
- ❖ PEI 200 – Recommended Practices for Installation of Aboveground Storage Systems for Motor Vehicle Fueling

The exam is open book. Copies of current code books may be obtained from Document Sales @ (608) 266-3358 or @ (800) 362-7253. Copies of API standards are available from the American Petroleum Institute at (202) 682-8373.

To schedule an upcoming exam:

- Indicate **FIRST CHOICE (1)** and **SECOND CHOICE (2)** in the event one exam site is full.
- Submit the **fee and this application to the division at least 30 days in advance of the exam date chosen.**
- Keep a copy of this application for your records. You may only schedule one future exam session at a time for each credential type. Applications sent in for multiple exam sites / times will be denied and a refund will not be issued.
- You will receive a letter from DSPS confirming your upcoming exam. Please check this form over carefully upon receipt so that you know when/where to take your exam.
- If you need special accommodations, please contact us at DSPSSBCredentialing@wi.gov

Education Hours Required to Renew: The renewal of a certification as a tank system inspector which has an expiration after December 31, 1999 shall be contingent upon the tank system inspector obtaining at least 12 hours of acceptable continuing education three months prior to the expiration date of the credential. A person who holds a credential as a certified tank system inspector may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.
